Description Makers and Takers by Rana Foroohar

Is Wall Street bad for Main Street America?

In looking at the forces that brought our current administration to power one thing is clear: much of the population believes that our economic system is rigged to enrich the privileged elites at the expense of hard-working Americans. This is a belief held equally on both sides of political spectrum, and it seems only to be gaining momentum.

A key reason, says *Financial Times* columnist Rana Foroohar, is the fact that Wall Street is no longer supporting Main Street businesses that create the jobs for the middle and working class. She draws on in-depth reporting and interviews at the highest rungs of business and government to show how the “financialization of America”—the phenomenon by which finance and its way of thinking have come to dominate every corner of business—is threatening the American Dream.

Now updated with new material explaining how our corrupted financial system propelled Donald Trump to power, *Makers and Takers* explores the confluence of forces that has led American businesses to favor balance-sheet engineering over the actual kind, greed over growth, and short-term profits over putting people to work. From the cozy relationship between Wall Street and Washington, to a tax code designed to benefit wealthy individuals and corporations, to forty years of bad policy decisions, she shows why so many Americans have lost trust in the system, and why it matters urgently to us all.

Through colorful stories of both “Takers,” those stifling job creation while lining their own pockets, and “Makers,” businesses serving the real economy, Foroohar shows how we can reverse these trends for a better path forward.

Makers and Takers by Rana Foroohar

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Makers and Takers by Rana Foroohar. To get started finding Makers and Takers by Rana Foroohar, you are right to find our website which has a comprehensive collection of manuals listed. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Makers and Takers by Rana Foroohar. So depending on what exactly you are searching, you will be able to choose ebooks to suit your own need. Need to access completely for Ebook PDF Makers and Takers by Rana Foroohar? ebook download for mobile, ebooks download novels, ebooks library, book spot, books online to read, ebook download sites without registration, ebooks download for android, ebooks for android, ebooks for ipad, ebooks for kindle, ebooks online, ebooks pdf, epub ebooks, online books download, online library novels, online public library, read books online free no download full book, read entire books online, read full length books online, read popular books online. Document about Makers and Takers by Rana Foroohar is available on print and digital edition. This pdf ebook is one of digital edition of Makers and Takers by Rana Foroohar that can be search along internet in google, bing, yahoo and other mayor seach engine.
