## Description Predator Nation by Charles H. Ferguson

Charles H. Ferguson, who electrified the world with his Oscar-winning documentary *Inside Job*, now explains how a predator elite took over the country, step by step, and he exposes the networks of academic, financial, and political influence, in *all* recent administrations, that prepared the predators' path to conquest.

Over the last several decades, the United States has undergone one of the most radical social and economic transformations in its history.

- Finance has become America's dominant industry, while manufacturing, even for high technology industries, has nearly disappeared.
- The financial sector has become increasingly criminalized, with the widespread fraud that caused the housing bubble going completely unpunished.
- Federal tax collections as a share of GDP are at their lowest level in sixty years, with the wealthy and highly profitable corporations enjoying the greatest tax reductions.
- Most shockingly, the United States, so long the beacon of opportunity for the ambitious poor, has become one of the world's most unequal and unfair societies.

If you're smart and a hard worker, but your parents aren't rich, you're now better off being born in Munich, Germany or in Singapore than in Cleveland, Ohio or New York.

This radical shift did not happen by accident.

Ferguson shows how, since the Reagan administration in the 1980s, both major political parties have become captives of the moneyed elite. It was the Clinton administration that dismantled the regulatory controls that protected the average citizen from avaricious financiers. It was the Bush team that destroyed the federal revenue base with its grotesquely skewed tax cuts for the rich. And it is the Obama White House that has allowed financial criminals to continue to operate unchecked, even after supposed "reforms" installed after the collapse of 2008.

*Predator Nation* reveals how once-revered figures like Alan Greenspan and Larry Summers became mere courtiers to the elite. Based on many newly released court filings, it details the extent of the crimes—there is no other word—committed in the frenzied chase for wealth that caused the financial crisis. And, finally, it

lays out a plan of action for how we might take back our country and the American dream.

### Predator Nation by Charles H. Ferguson

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Predator Nation by Charles H. Ferguson. To get started finding Predator Nation by Charles H. Ferguson, you are right to find our website which has a comprehensive collection of manuals listed. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Predator Nation by Charles H. Ferguson. So depending on what exactly you are searching, you will be able to choose ebooks to suit your own need. Need to access completely for Ebook PDF Predator Nation by Charles H. Ferguson? ebook download for mobile, ebooks download novels, ebooks library, book spot, books online to read, ebook download sites without registration, ebooks download for android, ebooks for android, ebooks for ipad, ebooks for kindle, ebooks online, ebooks pdf, epub ebooks, online books download, online library novels, online public library, read books online free no download full book, read entire books online, read full length books online, read popular books online. Document about Predator Nation by Charles H. Ferguson is available on print and digital edition. This pdf ebook is one of digital edition of Predator Nation by Charles H. Ferguson that can be search along internet in google, bing, yahoo and other mayor seach engine.
