Description *The Armchair Economist* (revised and updated May 2012) by Steven E. Landsburg

The extensively revised and updated edition of Steven Landsburg's hugely popular book, *The Armchair Economist*—"a delightful compendium of quotidian examples illustrating important economic and financial theories" (*The Journal of Finance*).

In this revised and updated edition of Steven Landsburg's hugely popular book, he applies economic theory to today's most pressing concerns, answering a diverse range of daring questions, such as:

- Why are seat belts deadly?
- Why do celebrity endorsements sell products?
- Why are failed executives paid so much?
- Who should bear the cost of oil spills?
- Do government deficits matter?
- How is workplace safety bad for workers?
- What's wrong with the local foods movement?
- Which rich people can't be taxed?
- Why is rising unemployment sometimes good?
- Why do women pay more at the dry cleaner?
- Why is life full of disappointments?

Whether these are nagging questions you've always had, or ones you never even thought to ask, this new edition of *The Armchair Economist* turns the eternal ideas of economic theory into concrete answers that you can use to navigate the challenges of contemporary life.

Customer Reviews *The armchair economist* by WishIdidn'tbuyit

Big disappointment. Author tries too hard to be clever; he ends up demonstrating that, if you make enough unrealistic assumptions, economics is irrelevant in everyday life.

The Armchair Economist (revised and updated May 2012) by Steven E. Landsburg
